AN *Island Wedding* WITH SOUTHERN CHARM

Now for the best news: No passport renewals, lengthy travel, or unfamiliar marriage license regulations required! Easy to get to by air or road, and passionate about preserving our stunning natural beauty, Hilton Head Island is considered the "Caribbean of the Carolinas."

Whether you live in the Lowcountry or have adopted a Lowcountry state of mind, there's a wonderful wedding waiting for you and your guests at The Westin Hilton Head Island Resort & Spa.

THE *Fun* ISLAND CELEBRATION

Let The Westin's stunning views of the Atlantic Ocean inspire a wedding palette as bright and fun-loving as the atmosphere of the island! Vivid corals, brilliant blues, and sunny citrus hues pair perfectly with each of our wedding venues. Show off your creativity by incorporating beachy-keen

details that will delight destination guests, such as parasols to provide ceremony shade, flip-flops for the dance floor, or sand dollar shaped place cards. Our in-house wedding experts will happily assist in connecting you with trusted local vendors that will be able to bring your vision to life.

Our team will gladly guide you toward the creative partners best suited to a Lowcountry-inspired celebration of love.
